THE FELLOWSHIP OF DIONYSIS & PAUL

The Fellowship of Dionysis & Paul is dedicated to the preservation of the ancient tradition of spiritual regeneration otherwise known as the Western Mystical Tradition. For more than two thousand years this tradition has been discreetly transmitted within the religious traditions of Graeco-Roman and Judaeo-Christian civilisation. It is an ancient and living tradition whose goal has ever been the spiritual progress of humanity.

The focus of the Fellowship is upon Prayer & meditation, concerning which a series of online seminars, lectures, discussions and workshops devoted to specific aspects of the tradition and its disciplines, will provide members with a deeper understanding of the interior life of the soul.

The Fellowship is open to all who, seeking more than intellectual knowledge, may wish to develop a greater understanding of the tradition. There are no initiations, oaths or grades of advancement, simply the sharing of knowledge in fraternity and goodwill.

There is no joining fee to the Fellowship, although members will be expected to share the costs of seminars and associated events; the details of which will be supplied well in advance.
